Assessment in the Age of *The Framework*

Maryland Information Literacy Exchange 2020 Spring Conference
Friday, April 17, 2020, 9:30 a.m. – 3:30 p.m.
Loyola Graduate Center, 8890 McGaw Rd, Columbia, MD

The Maryland Information Literacy Exchange (MILEX) is a collaborative of Maryland academic librarians to promote information literacy in higher education.

Join us at this year's MILEX Conference to learn about ways academic librarians are using ACRL's *Information Literacy Framework for Higher Education* to inform their learning assessment practices.

Keynote Presenter: Sara Lowe

M. Sara Lowe is Associate Librarian and Associate Dean for Educational Services at Indiana University-Purdue University Indianapolis (IUPUI). Prior to that, she was Assessment Librarian at the Claremont Colleges Library. Sara has over ten years of experience with assessment and instruction in academic libraries and was in the first cohort of the IMLS-funded Assessment in Action project. She has published and presented widely on assessment topics, and she is a co-creator and co-facilitator of ACRL's Assessment in Action Roadshow. Her collaborative work has been honored by ACRL's Library Instruction Round Table (LIRT) with an Innovation in Instruction Award and inclusion in their Top Twenty article list.
