 - Removed wiki mentions
 - Wiki information is being moved
 - Relocating membership button to top bar

Presentations

“Falling Forward”

Jeremy Green, Carroll Community College, and Jennie Ray, Loyola Notre Dame Library

Jeremy dealt with an Information Literacy issue at CCC during a citation-editing exercise. The successful pilot with a small number of students was not as successful with a larger number of students.

Jennie updated an embedded Information Literacy course by bringing it online using course management. She added optional drop-in sessions tied to deadlines for the assignment.

-Sarah Gilchrist
